# TRIBUTE KIOSK SOFTWARE

*Providing elegant, interactive solutions to honor and celebrate lives and achievements.*

The Tribute Kiosk Software family is designed to accommodate a wide variety of memorial or celebratory applications.

With several pre-built theme packages to choose from, each one is fully customizable to meet the needs of any military group, alumni class, sports team or organization.

The Tribute Software database is robust and expandable to grow with your needs over the years, adding members, photos, biographies and details as desired.
