ZAMOK SOLUTIONS /

REMOTE KIOSK MANAGEMENT

Update, monitor and manage one or many kiosks all from the comfort of your own desk! Our cloud system allows our customers to easily maintain kiosks regardless of location.

❮ *Securely access the admin portal using a web browser right from your desktop. The user friendly interface makes it easy to navigate and make changes without any technical skills.*

❮ *Manage multiple kiosks in any location, change screen content, background images, links or permissions as desired. Make your updates live instantly or roll back to previous versions.*

ZAMOK®

ZAMOK SOLUTIONS /

KIOSK SECURITY

Kiosk security is our top priority. ZAMOK provides the tools to tightly control and select what users can access. The kiosk interface will lockdown to only the links and web content that you approve and allow.

Lockdown your kiosk to allow access ONLY to the online destinations or content that you choose.

Eliminate the worries of unwanted web surfing, tampering, hacking or misuse.

"INSTALLING THE EMPLOYEE KIOSKS INCREASES ONLINE ENROLLMENT WITHOUT THE SECURITY CONCERNS OF A SHARED COMPUTER"

– Human Resources Directors and IT Managers, multiple sources.

ZAMOK SOLUTIONS /

PERIPHERALS AND ADD-ONS

ZAMOK provides the foundation for driving a wide variety of add-on features including dozens of input and output devices such as printers, scanners, card readers, video cameras, voice over IP and moreIf you need it, ZAMOK can do it!

❮ *Right out of the box, ZAMOK makes integration with hardware options a breeze. Maximize the functionality of your kiosk investment and increase your ROI!*

❮ *ZAMOK can deliver an output signal to engage multi-color LED illumination or be used as a trigger for other events.*

APIs and custom development options are available to fit your specific project needs!

ZAMOK®

MONITORING AND ALERTS

Keep an eye on kiosk usage and customer patterns to help determine changing user needs and the ROI of your project. Configure alerts to be notified immediately if the kiosk goes offline or needs attention.

ZAMOK provides the tools you need to track performance, create reports and monitor user feedback for all kiosks out in the field. ❯

Know the status of all your kiosks all the time! Configure instant notifications for system outages or other issues via text message or email. ❯

"OUR DATA SHOWED THAT THE KIOSK
PAID FOR ITSELF IN LESS THAN 3 MONTHS,
EVEN FASTER THAN WE EXPECTED!"

*– Mario Teixeira, Operations Manager, Strikes and Spares Entertainment*
