## THE ADVANCED KIOSKS ADVANTAGE

We take pride in our work and our reputation in the industry. Here are some of the ways in which we provide added value in every kiosk we design and ship:

### **3 YEAR WARRANTY**

Unmatched 3 Year Warranty on all standard kiosk hardware (not just the box).

### **EXPERIENCE**

Over 20 years of self-service kiosk design and development experience.

### **KIOSK SOFTWARE**

Kiosk management software providing kiosk security and the power to do more.

### **QUALITY STANDARDS**

Kiosks made with high quality, American-made, commercial grade components.

### **ON-BOARDING**

A specialist is assigned to your project for setting up your kiosks.

### **WORLD-CLASS SUPPORT**

Comprehensive support and 24/7 technical assistance options for your product.

### **CONSULTING SALES**

We don't sell, we advise our customers to get the most value.

## KIOSK HARDWARE

The Lobby and Document Kiosks are among our most popular models, and are highly recommended for your self-service kiosk solutions. Each has a standard option for upgrades and provides an excellent starting point for any courthouse across the country.

### 3 YEAR WARRANTY Offered on All Our Kiosk Models

- Tamperproof Hardware
- Easy Internet Connect
- Windows OS Pro

### DOCUMENT KIOSK 19" LANDSCAPE

*Our rugged Document Kiosk is sturdy enough to handle all the wear and tear of a Courthouse setting.*

### LOBBY KIOSK 19" LANDSCAPE

## ZAMOK DASHBOARD — All from your desk!

Your Zamok control center allows you to **conveniently customize and manage settings for all your kiosks right from your desktop!**

Make your desired changes and see a preview of what is displayed on the kiosk screen.

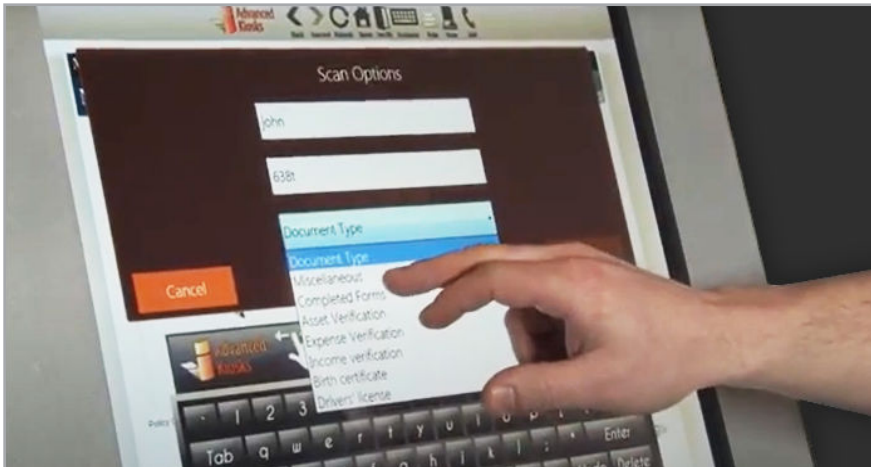

With the easy to use, intuitive Zamok interface, no technical skill is required!

Any button can link to a webpage, form, or scan routine.

## DOCUMENT SCANNING

A scanner routine saves time and resources on self-service projects, enabling customers to scan and make copies of paperwork and forms, applications, licenses, passports, or even old crumpled pieces of paper.

### COMMON USE CASES

The full-page document scanner is great for many self-service applications, including:

- Employee & HR kiosks
- Bill pay kiosks
- Kiosks for government organizations

## SCANNING SOFTWARE & ONBOARDING

### SCANNING CONFIGURATIONS

Zamok's scanning feature works in two different ways:

1. By guiding the user through scanning specific documents for an application
2. Allowing a user to scan any document, attach notes, and have documents securely delivered by email or file upload.

**ONBOARDING:** The Advanced Kiosks onboarding team will set up buttons on the kiosk user interface to start scanning processes and will configure the documents to be sent to the destination of your choice.

## FORM FILLING

Everyone has forms that need to be filled and filed away. Advanced Kiosks has many options for your form and application needs.

### DIGITAL FORM BENEFITS

Whether you fill out forms digitally or scan them in when you are done, digital forms can:

- Improve file management
- Increase security
- Reduce wait times
- Reduce human contact
- Provide paperless option

## 3 WAYS TO FILL OUT FORMS DIGITALLY

### FIND THE CONTACT-FREE METHOD THAT WORKS BEST FOR YOU

- 1 Fill out an electronic form and have it automatically uploaded to a database.
- 2 Fill out a digital interactive PDF and email it to the recipient of your choice.
- 3 Print the form, fill it out, sign it, and scan it back in for digital organization.

**ONBOARDING:** Have a paper form? We can make it digital. See our On-Boarding Section for more details.

## PAY GOVERNMENT FEES AND FINES

Interactive digital kiosks can offer an electronic payment system for those without available or secure access to technology.

### MAKING PAYMENTS EASY

If you have a preexisting payment webpage, we can link and lockdown that page for kiosk users to navigate the payment process. With a credit card reader, your customer can autofill user information into the digital payment form, expediting the process.

## SOFTWARE FOR MAKING PAYMENTS

### CARD READERS & SCANNERS

Different options can be added to expedite the payment process or even help auto-fill forms and applications. These include:

- Credit Card or Magnetic Strip Reader
- EMV Credit Card Reader
- Barcode and QR Code Scanner
- Drivers License and ID Scanner

**Right:** Ticketing Kiosk with EMV credit card reader.

## ON-BOARDING: *We do the Heavy Lifting!*

A Customer Success Specialist is assigned to your project to oversee everything from parts and delivery to installation feedback.

- 10 hours of one-on-one set-up time
- Kiosk management software setup
- Overview of kiosk administration tools
- Training to ensure you are prepared to manage your kiosk system
- Content retrieval to set up users, list of document names, and tags
- Transferring paper forms to make them virtual
- Work with an IT manager to make sure all protocols are met.

## SOFTWARE INTEGRATION
