

InterpreStation

Interpretation Accessibility Services Solution

There are as many as 450 languages spoken in the United States alone, meaning your organization has likely faced language barriers with customers at one point or another.

With the **InterpreStation**, break down communication and language barriers and help customers feel right at home.

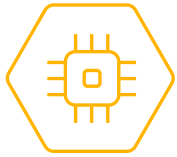

- Tamper Proof Hardware
- Easy WiFi Connect
- 24/7 Technical Support
- ZAMOK™ Security and Management

- ✓ Facilitate connections by breaking down communication barriers
- ✓ Open your business to everyone, regardless of language or ability
- ✓ Provide services at a fraction of the cost of an in-person interpreter
- ✓ 240 languages and sign-language translation available

Prices starting at \$3,870*

**Plus 1 month software and minutes charge*
