

Tribute Station

Elevate Your Tribute or Memorial with an Interactive Experience

Establishing a Memorial is the perfect way to honor loved ones, Military heroes, and other public figures who made a lasting impact in your community and around the world.

- Tamper Proof Hardware
- Easy WiFi Connect
- 24/7 Technical Support
- ZAMOK™ Security and Management

HARDWARE

Hand-built with high quality materials, by expert technicians in our Concord, NH warehouse.

32" LCD TOUCHSCREEN

High resolution display attracts & engages users

STEEL ENCLOSURE WITH POWDER COAT

engineered with beauty and durability in mind

LOCK & KEY ACCESS PANEL

ensure your kiosk and all the technology inside is secure from tampering

BOLT TO FLOOR

for added security. Attachable wheels also available for added mobility

VIDEO CAMERA

provide live video support and conferencing capabilities at the tap of a button.

AMPLIFIED STEREO SPEAKERS

projecting crisp, clear sound that is sure to engage and attract all visitors within earshot.

DONATIONS**

SOFTWARE

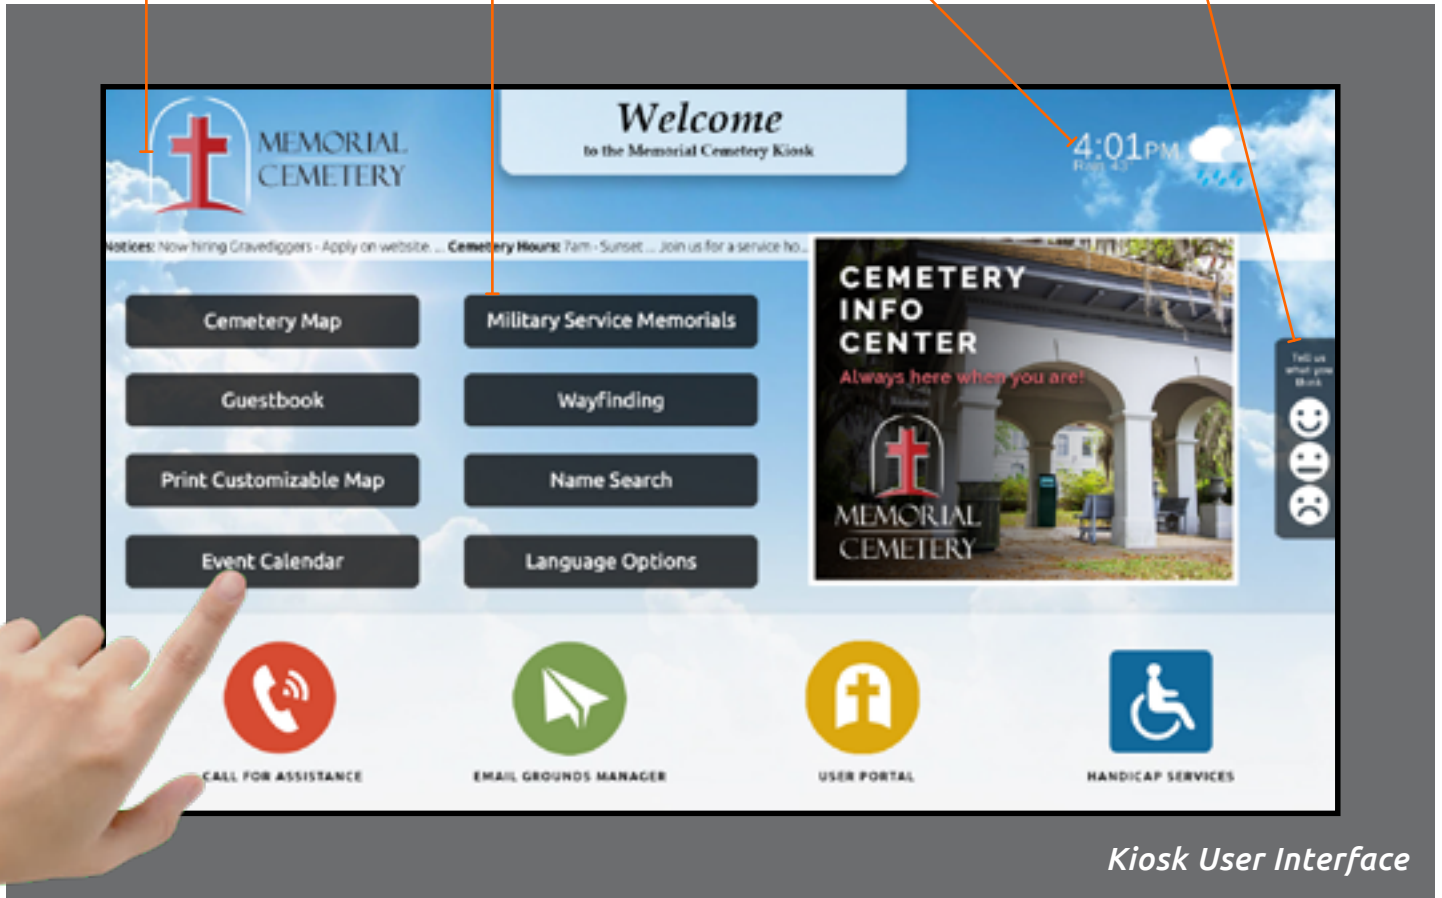

Customize the computer kiosk interface to match your brand and messaging.

Add your company logo, branding, colors, and background

Provide up to eight buttons assigned to tasks of your choice, including linking to any website or webpage

Local weather forecast with the click of a button

Customer surveys and feedback

Kiosk User Interface

The home screen templates are customizable to include functionality, look, and feel. Users can securely access your systems, approved websites, and third-party services with ease. If your organization has a pre-existing database of your memorial, our onboarding team can integrate it to work seamlessly with your new interface.

ZAMOK Kiosk Management Software is the final component that makes the Tribute Station a total self-service solution.

- ✔ Live video conferencing & support
- ✔ Cash & credit card processing
- ✔ Secure document transfer, print & scan
- ✔ Remotely modify content from anywhere
- ✔ Automated reports & usage statistics

CALL FOR PRICING

SOLUTION

With a customizable interface, industry-leading security, a 3-Year-Warranty on the hardware, and 24/7 technical support to back it up, this self-service solution elevates your Tribute or Memorial as soon as you power it up.

3 YEAR WARRANTY

Unmatched 3 Year Warranty on all standard kiosk hardware (not just the box).

EXPERIENCE

Over 20 years of self-service kiosk design and development experience.

QUALITY STANDARDS

All products are built with high quality, American-made, commercial grade components.

ON-BOARDING

A specialist is assigned to your project for setting up your kiosks, answering questions and providing valuable insight along the way.

SECURE SOFTWARE AND HARDWARE

Zamok was created with security in mind, while Advanced Kiosks's tamperproof kiosks and software are sturdily built with the highest quality materials.

WEEKLY REPORTS AND NOTIFICATIONS

Alerts, statistics, and usage trends are generated from each kiosk and then formatted into a weekly report to help determine effectiveness and track ROI.

24/7 TECHNICAL SUPPORT

Get problems solved quickly. Our skilled support professionals provide 24/7 support for all aspects of your Tribute Station.
