

Assisted Self-Service Kiosk

Featuring the **Aegis Desk**
with video conferencing capability

**SECURE****TRUSTWORTHY****CONVENIENT****HUMAN CENTRIC****EFFICIENT****COMPLIANT**

HARDWARE

WEBCAM

The highest quality camera works with the 4K monitor to capture every detail within the video conference experience

DIRECTIONAL SOUNDBAR

Crisp, powerful audio ensures clear communication lines

HEADSET

To ensure privacy when desired, or block out background noise for increased focus

AMPLE DESK SPACE

Providing a dedicated workspace to spread out documents and paperwork, ensuring a comfortable experience for the user

ROLLING COMPUTER CHAIR

Comfortable while seated. Easily moved while utilizing desk features or to clear space for wheelchair access.

STATUS DISPLAY LED LIGHT

LED light display clearly communicates when workstation is available, occupied or offline

MOUNTED 4K 32" MONITOR

The most important aspect of recreating a face-to-face interaction. The 4k resolution is so clear and realistic, you might forget that you're looking at a screen. Tamper-proof mounting hardware

NAVPAD CONTROL

Provides accessibility for those with impaired vision, restricted mobility or limited fine motor skills

FULL PAGE SCANNER

Share physical documents at the tap of a button and keep the originals for your records.

LASER PRINTER

Print important documents such as receipts, statements, or forms to be completed by hand

LOCKING CABINET

Additional cabinet space complete with locking mechanism for added security

OPTIONAL UPGRADE FOR ADDED SECURITY For the highest level of privacy and security, consider adding the [Aegis Booth](#). Featuring Smartglass, noise-cancelling technology and more, this booth will make your users feel safe and comfortable while video conferencing or executing self-service procedures.

SOFTWARE

Self-service by default. Full-service when you need it. This solution can be applied to any task, no matter how complicated it may be.

VIDEO CONFERENCING Initiate at the tap of a button for on-demand assistance

DOCUMENT SCANNING Digitize forms easily with a streamlined scanning routine

DOCUMENT PRINTING Provide receipts and other documentation for users to take with them

BILL PAYMENT Securely execute or receive assistance with financial transactions

INFORMATION ACCESS Provide users access to helpful resources

ACCESSIBILITY FEATURES Including high contrast interface and Storm Navpad functionality
