Lobby Attendant features Advanced Kiosks' **ZAMOK Kiosk Management Software**, giving you the power to do more with your self service interactive kiosks.

ZAMOK®
ENTERPRISE EDITION

- Customizable interface
- Remotely modify content from anywhere
- Manage all kiosks in one convenient dashboard
- Notifications sent to your cell phone or inbox
- Automated reports & usage statistics

SOLUTION

With a customizable interface, industry-leading security, a 3-Year-Warranty on the hardware, and 24/7 technical support to back it up, our Lobby Attendant solution is equipped to provide quick and seamless services to your business

Guest entry and deliveries are easy and secure. Impress your visitors as you streamline and automate visitor management processes.

SECURE SOFTWARE AND HARDWARE

Zamok Kiosk Management Software locks your Lobby Attendant down to specified websites only. The kiosk hardware is designed and built with an emphasis on durability and quality

REDUCE VISITOR WAIT TIMES

The addition of self-service to your lobby means visitors can conduct much of their business autonomously, resulting in significantly faster service and improved user experience

WEEKLY REPORTS AND NOTIFICATIONS

Alerts, statistics, and usage trends are generated from each kiosk and then formatted into a weekly report to help determine effectiveness and track ROI

24/7 TECHNICAL SUPPORT

Get problems solved quickly. Our skilled technicians provide 24/7 support for all aspects of your Lobby Attendant solution
