FEATURES & BENEFITS

Office Extension 3.0 is now packed with even more powerful features to modernize your office and maximize efficiency within your business.

INTERFACE TRANSLATION *New Feature!*

Users can instantly transform their interface into their choice of one of hundreds of languages. Subsequent PDFs & web pages are automatically translated into the chosen language. Kiosk administrators automatically receive the translated document along with the original.

Benefits: User Experience, Accessibility, Customer Engagement

INSTRUCTIONAL VIDEO *New & Improved!*

The kiosk recognizes when a visitor has entered the lobby and launches a helpful instructional video to provide guidance on how to proceed. This feature helps to set expectations, support productive interactions and build trust through positive user experiences.

Benefits: User Experience, User Efficiency, Customer Engagement, Enhanced Brand Awareness

DOCUMENT UPLOAD *New & Improved!*

Office Extension's scanning process has been redesigned for improved user experience. Now offering seamless scan-to-upload, streamlining the process of submitting completed documents. Requires no third-party site integration. Just tap the upload button, scan, and the submission is complete!

Benefits: User Experience, User & Staff Efficiency, Error Reduction, Enhanced Security

KIOSK FORMFLOW *New Feature!*

Simplify complex form-filling by providing a guided experience with a progress bar, parsed questions and field validation. The user can translate the form to their preferred language, and Kiosk FormFlow delivers the completed form in both the user's translated language as well as in its original format.

Benefits: User Experience, Staff Efficiency, Error Reduction, Cost Savings, Policy Compliance

HOMEPAGE THEME EDITOR *New & Improved!*

The Homepage Theme editor gives kiosk administrators more control than ever while configuring their kiosk's user interface. Choose from a list of standard templates or configure your own layout with simple, intuitive point-and-click editor tools.

Benefits: User Experience, Administrator Efficiency, Enhanced Brand Awareness, Improved Customization

MEDIA LIBRARY *New & Improved!*

Personalizing your Zamok account just got a lot easier with the redesigned media library. With a newly redesigned interface and added functionality, kiosk administrators are empowered to create and manage content on their kiosk with ease.

Benefits: Administrator User Experience, Administrator Efficiency, Enhanced Brand Awareness

WEEKLY REPORTS AND NOTIFICATIONS *New & Improved!*

Alerts, statistics, and usage trends are generated from each kiosk and then formatted into a weekly report to help determine effectiveness and track ROI.

Benefits: Improved Performance Analysis, Enhanced Communication, Improved Return on Investment
